FERNANDO FALCI
Javascript Developer

📞 +34 611 231 876   🔗 https://falci.me

✉ contact@falci.me   📍 Barcelona, Spain

ABOUT

He is a passionate developer and has worked on web development in the last 6 years.

He has a graduate (and post-graduate) background and has experience with most actual technologies such Angular, NodeJS, and Micro Services, working for one of the biggest communication company from the USA.

With strong soft skills, he has achieved great results as a team leader, applying agile techniques such as scrum, code review, and TDD.
